

NEW COLLECTION

WEST

Style contaminations, vivid details and nuances come together to create a single collection with a multitude of enchanting aspects.

Latest-generation manufacturing technology makes it possible to overcome the limits posed by the original materials, striking a skillful design balance of colors and veining effects that's perfect for enhancing interior design projects.

“
WEST IS AN ENCOUNTER BETWEEN DESIGN AND NATURE: A CAREFUL SELECTION OF NATURAL STONES, TO OBTAIN A UNIQUE, ORIGINAL MIX.
